Retail products / Ready meals

Responding every day to new market trends and customer requirements, is the commitment that Surmont has taken. The frozen ready meals specialties express at their best the ability to innovate of the company, that with a team of chefs and R&D professionals study and develop new proposals for new products and recipes, with solutions that at best meet the demands of consumers and customers.

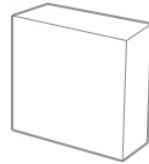

Experience e innovation at customer service.

The ready meals are a growing category that requires innovation and ability to offer always new recipes. Surmont realizes original and exclusive products for its own brand and for its private label partners, providing its extensive experience and giving the necessary advice to develop products tailored ad hoc. The ingredients used in our recipes are simple and natural. To preserve the flavors of our dishes, aromas, additives and flavorings are not used. Each dish is the creative interpretation of the typical Italian cuisine. Our experience, coupled with a unique technology studied to develop traditional cooking methods, allows us to make good and wholesome dishes just like the one we cook at home.
